

Family Math Night!!

Bring the whole family on.....

Tuesday- February 7th, 2012

6:00- 8:00 p.m. at Cloonan Middle School

Your family will participate in hand-on activities and leave with practical strategies and resources to strengthen our home school partnership in the area of mathematics. After a short keynote presentation families will head to small group sessions organized by math concepts. In the smaller sessions selected students will guide parents and students through various activities and then there will be about 20 to 25 minutes to practice the new strategies. You can come and go to any session you would like. This is free and for fun!! There will be prizes, raffles, and refreshments. The first 40 families to sign up will receive a math take home bag filled with goodies.

If you have any questions please email Ms. Esposito at sesposito@ci.stamford.ct.us
Please return one copy per family to school by February 1, 2012. Keep the top portion for yourself and cut off the bottom section to return to school.

Our Family: The _____ Family will be attending
Number of adults _____
Number of children _____
