

The Westhill High School Band and Color Guard

welcome graduating Cloonan musicians, dancers,
and cheerleaders to join us this fall!

- **Be part of a championship program!** Westhill HS Marching Band is the current State Champion. Whether you are a musician or dancer/cheerleader, we have a place for you!

Here we are at Giants Stadium last fall where we won top honors

- **Make friends! Have fun!** It can be daunting to start high school with so many new faces. Band members form friendships during Band Camp before school starts, friendships that last through high school and beyond. Traveling to competitions throughout the fall, practices after school, and band class help build lasting bonds.

- **Build your resume!** Colleges appreciate the dedication and commitment of Westhill Band and Color Guard students. Most band members are in Honors and AP classes. Many stay after school on practice days and study together. Band graduates are at Ivy League and other top universities.

- **Questions?** Please contact Beth Gerson, Band Parents Association President at pbgerson@hotmail.com or (203) 961-9461.
